All motorcyclists/sidecarists welcome but you are gonna get dirty!

The rally site is not to far from Coopers Creek Wildlife Management Area and Chattahoochee National Forest.
Forest Service roads are accessible with some light road travel and there are hundreds of miles of them!

Water crossings, nice smooth dirt to gnarly gravel tracks to test your bash plate!

It will be fun and you will get dirty, probably very dirty!

GROPE is being held in conjunction with the Howdy Summer Sidecar Rally.

We figure the more and the more different, the merrier!

Best Part! Registration Fee: NONE!

This is an a la carte rally.

There will be an award for the person who talks the most street bikes into going on the dual sport ride!

There were no takers last year, try harder!

Lodging Costs depend on what level of stuff you need!

All camping sites (except the primitive tent sites) have water and electric!

2 people in a tent w/power & water is \$24/night, \$2.50/night for each additional person

Primitive camping is cheaper and it really is primitive. Up on a hill, just they way some of you like it.

4 cabins and several RV sites with 30 or 50 amp power. Call for pricing.

Campground is handling all camping fees. Stay 6 days, 7th day is free!

Please call the campground at (706) 374-6494 for reservations, lodging options and questions.

Want your choice of site or a cabin, call like now!

Tell them you are with the Georgia Sidecar Club! Ask about the fees!

Check out the campgrounds web site, we think you will be pleased!

There is no formal registration, but please let us know you are coming! We will ask that you sign in at the rally so we can plan for field events (if we have them) and other stuff. **Any fees will be determined at the rally by what the group wants to do that cost money. No one in the group will be required to take part in things that have a fee. Just come and have a good time! There is a camp store on site. Restaurants are not far!**

We will have awards of some sort, door prizes, fun stuff, self guided scenic tours, lots of fun!

This is a great location and the price for the rally simply cannot be beat!
